

Opening times

We are open from 8:00am until 16:00pm. We would appreciate if all service users were collected by 3:45pm to allow staff to give a full report to parents/carers on how their loved one's day went.

Parents/carers will be informed of any closures scheduled throughout the year.

As Saoirse is a new unit, time must be given to allow staff to assess each individual to measure how well he/she is settling into this new environment.

If, for whatever reason, the person is not settling into this new environment, we have the option of moving them back to Le Cheile, where they may be more comfortable.
