

26th Jan 2023 - Interim SHS Families and Friends Group meet Sunbeam House Board

Representatives of the Interim SHS Family and Friends Group were invited to meet the Sunbeam Board and CEO Joe Lynch at their Board meeting on 26th January. We were welcomed by the Board members who each gave a short personal introduction. We highlighted the objectives of the Family and Friends Group and introduced ourselves as parents of sons, daughters and siblings all receiving services from SHS. We were focussed on building strong links at every level in Sunbeam to support and develop services and advocate for families. We thanked the CEO and the Board for facilitating the communication by letter and email to families on 20th January and our email address families@sunbeam.ie
